RE-SUBMISSION

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The attached Supplemental Information Disclosure Statement was mailed to the USPTO on September 12, 2003. The signed Certificate of Mailing attests to the proper mailing on that date. The above-referenced Examiner in charge of this case did not receive the submission during the last three months since mailing. Furthermore, our office did not receive a returned confirmation postcard stamped as received. We are re-submitting this Supplemental IDS with all of the original documentation for expedited delivery to the Examiner.

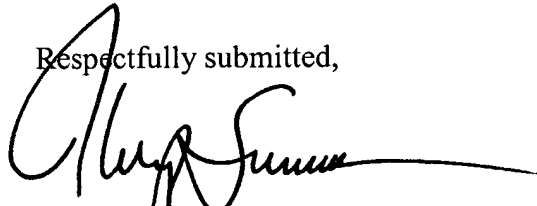

The USPTO processed and cashed the check by which we originally paid the required fee. We enclose a copy of the original check that we filed with the IDS. No fee is due to re-submit the same document that was never delivered to the Examiner.

This Information Disclosure Statement was originally submitted in accordance with 37 C.F.R. § 1.97(c), before a final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application. The Applicant did not cause the unexpected delay in delivery. The Applicant respectfully requests, therefore, that the Examiner consider the attached items before closing prosecution of this case.
